There would have been fairly high heels at that time know you they got it then as stiletto which wasn't as high wee sharp heels and you walked in them high heels and there wasn't a ye know peoples feet were far better you couldn't walk in them now half of them you wouldn't walk far in them you don't have to walk you did walk in them and sometimes if you didn't you brought the pair with you brought your dancing shoes with you walked in a flat pair then put them on when you landed.
